

Communications Internationales des équipes 2009

1. Adjabi S., Lagha K., and Hassani M., *Méthode du noyau dans l'évaluation de performances des systèmes d'attente*. 41^{ème} Journées des statistique, Bordeaux, 25 au 29 Mai 2009
2. Lagha K., Adjabi S., and Aissani D., *Law of the iterated logarithm for nonparametric sequential density estimators*, European meeting of statisticians EMS09, Toulouse, 20 to 24 July 2009, Actes des Abstracts pp .63
3. Adel–Aissanou K. and Aissani D., *Gateway discovery for Ad Hoc nodes*. Proceedings of the European Conference Euro 23, Bonn (Germany), July 2009, p. 218
4. Bareche A. and Aïssani D., *Nonparametric Estimation for the Study of the Strong Stability of the M/G/1 Queueing System*. The 9th BalKan Conference on Operational Research'' BALCOR 2009, 02 to 06 September 2009, Constanta, Romania.
5. Slimani S. and Radjef MS., *Characterization of solutions in multiobjective programming under weak invexity*. 23rd European Conference on Operational Research, **Bonn, Germany, July 05-08, 2009**. Actes du colloque p. 115
6. Radjef M.S. and Fahem K., *Ideal Social Equilibrium in Noncooperative Multiobjective Games* Seventh International Workshop of the International Society of Dynamic Games, Djerba, Tunisia, 1 to 3 July 2009.
7. Radjef M.S. and Laib F., *Optimal strategies for automated traders in a producer consumer market*.Seventh International Workshop of the International Society of Dynamic Games, Djerba, Tunisia, 1 to 3 July 2009.
8. Radjef M.S. and Yousfi N., *Equilibria in Finite Multicriteria Two-Person Nonzero-sum Game*. Spain Italy Netherlands Metting on Game Theory SING5, Pays Bas, Amsterdam, 1 to 3 Juillet, 2009.
9. Brahmi B. and Bibi M.O., *A Dual Method for Solving General Convex Quadratic Programs*. WCSET 2009:World Academy of Science, Engineering and Technology, October 28 to 30, 2009
10. Radjef S., and Bibi M.O., *An algorithm for convex quadratic programming*. World Congress on Engineering 2009 (WCE 2009), Londres, 1 to 3 July 2009.

11. Rabta B. and Aïssani D., *Perturbation bounds for Markov chains with general states space*, Proceedings of an International Seminar "Stability Problems for Stochastic Models", Poland, 2009.
12. Talantikite H. and Aïssani D., *Virtual web services*, Proceedings of the European Conference Euro 23, Bonn (Germany), July 2009, pp. 296.
13. Medjoudj R. and Aïssani D., *Dynamics Reliability Under Preventive Maintenance: Application to Mv/Lv Powers Transformers*. Proceedings of the European Conference Euro 23, Bonn (Germany), July 2009, pp. 188.
14. Lekadir O. and Aïssani D., *Quantitative estimates in a two tandem queues with non-preemptive priority*, (MOMA) 2^{ème} Meeting en Optimisation Modelling et Approximation, 19 au 21 Novembre 2009, Casablanca, Maroc.
15. Aïssani D., Adjabi S., Cherfaoui M., Benkhellat T. and Medjkoune N., *Evaluation des Performances du Terminal à Conteneurs B.M.T. (Port de Bejaia)*, Actes du Séminaire International "Terminal Development and Management", B.M.T. (Bejaia Mediterranean Terminal), 03/2009.
16. Talantikite H., Aïssani D. and Boudjlida N., *Un modèle de contrôle d'accès aux web services sémantiques et composites*, Actes du Colloque International SIIE'2009 (Systèmes d'Information et Intelligence Economique, Hammamet, 02/2009.
17. Amad M., Meddahi A. and Aïssani D., *Asynchronous Distributed P2P-SIP Model for VoIP*, Proceedings of an Internationale Conference GIIS'2009, IEEE Global Information Infrastructure Symposium, Hammamet (Tunisia), 06/2009, <http://www.ieee-giis.org/>
18. Aïssani D. and Bekli M.R., *Le Traité Ma`alim al-Istibsar de l'astronome ash-Shellati (18e siècle)*, Actes du Printemps de Cirta : Colloque Maghrébin « Eclotions Philosophique et Mathématique », Constantine, 04/2009, pp. 01 - 14.
19. Aïssani D., *Les Rapports Intellectuels Béjaia – Tunis à travers la Célébration Mondiale de Certains Evènements*, Proceedings du Colloque International « Usages Culturels du Passé et Construction Identitaire dans les Pays Méditerranéens », C.E.R.E.S. Ed., Tunis, 05/2009.
20. Aïssani D., *Nouvelles Localisations d'Ecrits de Langue Berbère en Kabylie*, Proceedings du Colloque International sur les Manuscrits Amazighs, O.C.L.A. Ed., Barcelone, 06/2009.
21. Aïssani D., Radjef M.S. and al., *L'Université de Béjaia et l'Application des Méthodes Scientifiques au Transport*. Actes du Séminaire International sur le Transport, Université de Béjaia, 04/2009.
