Attachment 5 Subsidy of YICGG2026

Subsidy of YICGG2026

In order to encourage more participants to join YICGG and continuously pay attention to global governance, YICGG2026 participants who have advanced to the finals will enjoy the following subsidies:

- 1. One representative from the team (usually the team leader) will enjoy a free one-way flight ticket and accommodation for the finals. If the team leader is unable to participate for any reason, they may designate another team member to participate instead or relinquish the spot, but cannot choose someone from outside the team.*
- 2. If other members of the team also wish to participate in the finals, we would be very delighted to have them. However, they should be responsible for covering the full cost of airfare and accommodation.*
- 3. All finalists will enjoy a complimentary welcome dinner and a working dinner on the evening of the closing ceremony. While the remaining part of the meal needs to be paid for at their own expense.*

If you meet any of the following conditions, you may also apply for the special subsidies listed below:

1. Continuity

Participants' continuous enthusiasm on YICGG and unwavering support to global governance should be encouraged and praised.

For every *consecutive participant*, a subsidy of 200 RMB is available. Applicants should submit their certificate given by the YICGG2026 committee.

2. Inclusiveness

As long as a youth desires to participate in our competition, he/she should be included, providing his/her innovative ideas and contributing to global governance.

The YICGG Committee provides aid to those participants who have financial difficulties. If you need such aid, just contact us without hesitation and update the evidence that demonstrates your current living standard. We're more than willing to support you by providing a subsidy ranging from 300RMB to 600RMB.
